WHATEVER from us than they are problems we may getting at the moment. But this was time, it is worth how we started to pointing out that we put together the run are unbeaten in three that did us such a games. I know that's power of good about not much comfort to 18 months ago. some people who You've got to start expect to see more somewhere and tak-

ing points from successive games at Bury and Leyton Orient plus Rotherham at home the other night should stand us in good stead.

Nevertheless, I would like to see us go one better and crack our home hoo-doo against Swansea here today. We would obviously like to improve our home form, but it isn't for the want of trying.

It is pleasing to note that we seem to have put one thing right that was causing us serious concern a few weeks ago—we've stopped conceding silly goals. Hopefully we can go forward from here but it doesn't come easy. It's fine when you're riding high and scoring goals—you can expect good performances. All I can ask at this stage is bear with us and we'll turn it round.

VISITORS REVIEW

An update of today's opposition

SWANSEA CITY

THIS afternoon we extend a warm welcome to the players, officials and supporters of Swansea City. Our visitors had a fine away win in midweek, 2-1 at bottom club Shrewsbury, and with seven points from their last three games appear to be putting some kind of consistent form together after an indifferent start to the campaign.

Last season Swansea displayed inconsistent form, winning only six of their last 25 League games to finish in 17th position, four points ahead of relegated Cardiff City. Four wins were achieved away from home, at Bristol City, Walsall, Leyton Orient and Cardiff City. Manager Ian Evans left the club on 13th March after only a year in the job and was replaced by Terry Yorath, only 13 months after he had left the Vetch to take charge at Bradford City. Yorath's short reign at Valley Parade had ended on 7th March.

Over the summer Welsh team manager Yorath has made considerable changes to the playing staff, recruiting Portsmouth strikers Terry Connor and Jimmy Gilligan for a combined £325,000 to help solve a goalscoring problem as Swansea scored only 45 League goals last term. Welsh international Alan Davies followed Yorath back to South Wales from Bradford while Blackpool midfielder Russell Coughlin has recently joined the Swansea ranks. Halifax forward Andy Watson was signed for £45,000 while

experienced goalkeeper Mark Kendall was recruited from Wolves. A young defender from Bridlington Town, Clive Freeman, who had played in the same Sunday soccer team as Yorath in Leeds, also moved to the Vetch.

Away from home this season Swansea have won 1-0 at Bradford and 2-1 last Tuesday at Gay Meadow, courtesy of a late goal from substitute Watson. They have lost their other four away games, at Leyton Orient (0-3), Exeter (0-2), Southend (1-4) and Grimsby (0-1). Home wins have been achieved over Huddersfield and Crewe with Bury the only team to win in the League at the Vetch so far. Swansea went out of the Rumbelows Cup, losing 0-1 at home to Stoke after a goalless draw at the Victoria Ground.

Swansea have a number of fine prospects who have come up through the youth ranks to complement their nucleus of experienced players and now they are knitting together as a side after the summer recruitment drive could well emerge as a 'dark horse' in this season's promotion contenders.

22 year-old Ashford born goalkeeper Lee Bracey is now in his third season at the Vetch after moving from West Ham in search of first-team football. He made 30 League appearances in 1988-89, last season played in 31 games and so far this term has been ever-present. 19 year old Luton born Philip Heeps, a former trainee, is Bracey's understudy—he made his League bow at Chester last season, his only League game so far. Summer signing Mark Kendall has chalked up 457 League games in a distinguished career with Spurs, Newport and Wolves, making his League bow back in 1978-79.

with Forest and Huddersfield, has switched to a defensive role after spending most of his career as a forward. Now in his fifth season at the Vetch, he made his 200th League appearance last weekend. Highly-rated 20 year old left back Chris Coleman, an ever-present last season when he completed 100 League games for the club, is a Wales Under 21 international. 27 year-old Mark Harris joined Swansea from Crystal Palace in September 1989 and has since been a regular at first-team level after making only two League appearances in three seasons with Palace. Last week Swansea took back Dudley Lewis on loan from Huddersfield. The 28 year old defender made 230 appearances in nine seasons with his home-town club before moving to Yorkshire before the start of the 1989-90 campaign. He has already twice played against the Wanderers this season in the Rumbelows Cup ties at Leeds Road and Burnden.

24 year old Crewe-born defender or midfielder David Hough is approaching 200 League games for his only League club. A former club apprentice, the Wales Youth international made his League debut seven seasons ago. 24 year old Keith Walker joined Swansea last November from St. Mirren in a double £300,000 deal which saw his Love Street colleague Paul Chalmers also move to South Wales. Edinburgh born Walker played formerly for Stirling Albion while Chalmers, a 26 year old Glasgow born forward, was formerly with Celtic, having a brief taste of English League during a two-game loan spell with Bradford City in 1985-86. Another former Bradford player, 28 year old Manchester born midfielder Alan Davies returned to Swansea during the summer. After

beginning his career with Manchester United, the Welsh international later moved to Newcastle before beginning his first spell with Swansea in 1987. He won an FA Cup winners medal with Manchester United in 1983, playing in both games against Brighton.

Swansea's strike force comprises ex Portsmouth forwards Terry Connor and Jimmy Gilligan. Connor, signed for a reported £15,000, had been at Fratton Park for three seasons after previous spells with Leeds, his home-town club, and Brighton. The 22 year old former England U-21 international has scored 82 goals in just over 300 League games. Gilligan, who cost a reported £175,000, began his career with Watford in 1981-82 and later played for Grimsby, Swindon, Lincoln and Cardiff. The 26 year old London born forward has scored 61 goals in 230 League games. Andy Legg is a 24 year old Neath born midfielder who joined Swansea from Briton Ferry two seasons ago.

25 year old Steve Thornber completed a century of League games for Halifax before moving to Vetch Field in 1988 while 20 year old Des Trick is a local product who came up through the club's trainee ranks.

Another product of Swansea's youth policy is 20 year old David D'Auria, who made his League bow three seasons ago while 20 year old Simon Davey, also Swansea born, also graduated to the League side as a teenager. Assistant manager Tommy Hutchison moved into the Football League with Blackpool during the 1967-68 season after three years with Alloa. The 43 year old former Scottish international has made 788 League appearances, plus a further 68 in the Scottish League, during a superb career and his skills and approach to the game are a perfect object lesson to any young player. Tommy joined Swansea from Burnley in 1985 having also played for Coventry (he spent 9 seasons at Highfield Road) and Manches-

ter City as well as spending a short spell in Hong Kong.

Recent signing Russell Coughlin made his debut at home to Fulham last Saturday. The former Blackburn, Carlisle, Plymouth and Blackpool midfielder had a loan spell at Shrewsbury earlier this season. The 30 year old Swansea born Coughlin is nearing 400 career League games. Andy Watson was a summer signing from Halifax Town, for whom he scored ten League goals last season, his second at The Shay since moving from Harrogate Town. Versatile Clive Freeman, a former Doncaster player, played at Wembley last season for Bridlington Town in the FA Vase Final. The game was scoreless and Yeading won the replay 1-0 at Elland Road. Freeman's disappointment was eased when Swansea stepped in to bring him back into League football, forking out £10,000 for his transfer.

LOOK BACK IN TIME

Reports and events from years past

**27th
OCTOBER**

1894: Two late goals at Wolves sent Bolton slipping into the bottom four of the League. Earlier Bob Lawson had scored twice for Bolton in what was to be his only League appearance of the season.

1900: The Wanderers recorded their first win at Bramhall Lane against Sheffield United. Larry Bell opened the scoring after only two minutes and although United were well on top, goalkeeper John Sutcliffe was in fine form. James McKie made sure of the points with a second goal in the 65th minute.

1928: A second half hat trick from George Gibson earned Bolton their third consecutive win, this time by 3-1 against Sheffield United at Burnden.

1934: Despite going down 3-2 at home to Nottingham Forest the Wanderers remained 4 points clear at the top of Division Two. It was only the second defeat of the season and the first at home since the previous February. Ray Westwood and Jack Milson were the scorers. **1951:** Bolton regained their composure away from home by winning 3-1 at Chelsea. A fortnight earlier Wolves had won 5-1 at Molineux but at Stamford Bridge the Wanderers were always on top thanks to a couple of goals from Nat Lofthouse and one from Ronnie Codd.

1962: A Francis Lee goal, his 8th in 7 games, was

enough to secure the points against Nottingham Forest at Burnden.

1971: Bolton's reward for defeating Manchester City in the 3rd round of the League cup was a visit to Chelsea. John Byrom was missing through injury but his replacement, Graeme Row, put the Wanderers in front after only 12 minutes. Alan Hudson equalised for the Londoners after 52 minutes but Rowe missed a glorious opportunity to win the tie in the final minute.

1979: The Wanderers lowest crowd since their return to Division One, 15132, saw a 1-1 draw with Crystal Palace. Alan Gowing opened the scoring in the 46th minute but Bolton then went on to miss a host of chances before Neil Smillie hit an 81st minute equaliser for Palace.

1984: Two George Oghani goals weren't enough to save Bolton from a 3-2 defeat at Burnley. Kevin Hird, after 23 seconds, Neil Grewcock and David Miller scored for Burnley.

BOLTON 0 ROTHERHAM 0

A second successive clean sheet for the Wanderers but overall frustrating for all concerned as the score suggests. Rotherham opened the game up brightly enjoying plenty of progression if not penetration. Once again injury hit the Whites with Sammy Lee forced out of the game just before half time with a knock to the knee. Substitute Alan Stubbs came on to link up with Mark Winstanley allowing Julian Darby to revert back to midfield and it was Julian who nearly broke the deadlock on the stroke of half time.

The second half flattered to deceive with the lads going close through Thompson and Brown but it was not to be, with Rotherham leaving Burnden Park with a precious point.

IN CONVERSATION

TERRY HOLLAND

Many Boltonians unanimously agree that Terry Holland deserves his new appointment. Following in the footsteps of Alf Davies isn't the easiest of tasks and Terry is fully aware that he has one of the toughest commercial jobs in football. He said, "Bolton Wanderers have always been in the top three of the commercial league and I aim to keep them there."

At 45, he has the maturity and experience to do just that. During the past ten years at Burnden park, Terry has helped pioneer many money-spinning activities which not only has benefited B.W.F.C. but football in general. He singled out Lifeline saying "It's now entering its eighth year and the success has been due to the loyal support of Bolton Wanderers fans."

Commercial Manager**

Bolton Wanderers

He was also one of the first to market the current 50p lottery ticket which carries total prize money of £42,000 — the top prize being a car or £5,000 in cash. Catching the imagination Terry said, "Anyone person can pick up a ticket to win the jackpot prize instantly. Wanderers' other fun raiser is the popular Goldline, which is also booming and no wonder it's so popular with £500 every week-day to be won. The Wanderers commercial department generate a cool £300,000 every year towards the upkeep of Bolton Wanderers and the Burnden Park Ground.

When Terry eventually finds time to go home to his family it's a days work well done. He puts in some 80 hours over a six day working week but he's modest enough to admit, "You're only as good as the people around you and I have some good working colleagues.

Nat Lofthouse has a wealth of experience both on and off the field, he's a great ambas-

sador and in Des McBain we have one of the longest serving Secretaries. I only need to go in and ask."

Terry is responsible for around twenty commercial staff and he says that everyone at the Club appreciate the loyalty of the Bolton public and especially the agents of the Club.

Other activities that Terry has to be aware of is Sponsorship, Advertising, Sportsmans Dinners and Company Golf Days which all produce invaluable additional revenue but he will cope. He said, "I've been right through the mill and learned a lot from Alf Davies. For the future I am hoping for better things both on and off the field and believe this is just a matter of time.

Bolton Wanderers is in Terry's blood and verified this when he concluded, "I was born and bred in the town, live in Bolton and proud to work for Bolton."

KEVIN ROSE

Kevin joined the Wanderers just before pre season training in the summer of 1989. Having impressed when coming on at half time in the Freddie Hill Testimonial game a couple of weeks ago, Dave Felgate knows only too well that Kevin is breathing down his neck ready to stake his claim for first team football.

Commenting on joining the Wanderers Kevin says "I had six or seven very enjoyable years at Hereford but I thought it was time for a change and even though a number of clubs moved in for me, the set up at Bolton was great and I had no hesitation joining". Kevin is enjoying his spell with the club and admits to being the best of pals with Dave Felgate, training hard together with both lads pushing each other for that vital position.

We asked Kevin about his career before he joined the Whites, which he informed us began with non-league outfit Evesham United of the Midland combination before after just a few games signing for Southern League Premier side Worcester City where in the main he was understudy to veteran keeper Jim Combes, before moving onto Ledbury Town who of course are situated just outside Hereford. It was here he was spotted by Colin Murphy's high flying Lincoln side and he joined his

first Football League club in 1979. Although he didn't play a first team game for Lincoln the experience stood him in good stead because after rejoining Ledbury Town for a second spell he was given the opportunity to join football League neighbours Hereford United and that is where Kevin's career really began to blossom.

In total Kevin played 268 League games for United including setting up a club record for most consecutive appearances while at Edgar Street but it nearly started as a nightmare for him when in one of his earliest appearances for the club he was sent off for a professional foul on Blackpool striker Paul Stewart who is of course now at Tottenham. Kevin adds "It was a bit harsh really but our full back

Kevin's first game for the Wanderers in the Isle of Man tournament against Dundalk.

Chris Price—now doing very well at Aston Villa—went in goals, had a blinder and we drew 0-0".

Kevin's fine performances whilst at Hereford earned him a couple of runners up awards in the fan's Player of the Season polls, plus of course he attracted attention from clubs in the higher divisions. The T.V. cameras caught one fine show from the big man in a

third round F.A. cup tie against Arsenal when a shock was on the cards until the First Division outfit scrambled away from Hereford with a 1-1 draw, with a notable performance from ex Wanderer Mick Carter nearly doing the trick.

Arsenal were also Kevin's opponents in a Milk Cup tie when Hereford were just five minutes from going through at Highbury until a

certain Charlie Nicholas inspired a late Gunners revival to put the North London side through.

The move up North has noticeably had an effect on Kevin with him now finally adjusting to the quicker way of life after he lived in the beautiful but peaceful town of Ross-on-Wye for so long. He adds "Me and the wife

Tina still have our home down there which is in a lovely setting but I must admit to liking the North West. There's so many good places to visit like the Lake District or Blackpool".

Kevin's fine form in the reserve side has seen them climb up to the top six in the table after a slow start and there's no doubting that he's ready and waiting to grab his chance for first team action should the opportunity arise.

The Wanderers recorded their 1000th Central League victory with a competent performance over bottom club Middlesbrough at Ayresome Park.

Mark Came and Darren Oliver were both back after injury in a Bolton side that took the lead on the stroke of half time. Stuart Storer used his speed down the right hand side to get behind the 'Boro defence and his low cross was swept home by Neil Fisher.

Bolton were well on top during the second period and increased their lead with a penalty from Stuart Storer after Mike Jeffrey had been brought down.

The best Central League crowd of the season so far saw a goal glut and an entertaining game that wasn't settled until the final quarter of an hour.

Carl Richards put Blackpool in front after 2 minutes but 4 minutes later Mike Jeffrey swept a Paul Comstive left wing cross into the net for the equaliser.

David Reeves got the second in the 14th minute and Neil Fisher headed a third in the 28th minute and Bolton began to dominate.

Blackpool hit back in the 53rd minute with a goal from Dave Lancaster and made it 3-3 when Mark Taylor capitalised on a defensive mix up.

Alan Stubbs then got in on the act with a hat trick of headed goals in the 66th, 76th and 90th minutes. Two of the

moves began with Stubbs himself running the ball out of his own penalty area whilst the other came from a Paul Comstive corner.

Mike Jeffrey headed home the Wanderers sixth goal in the 85th minute after the never say die attitude of David Reeves had forced the

Blackpool defence into error.

BOLTON WAND. 0 — 0 SWANSEA CITY

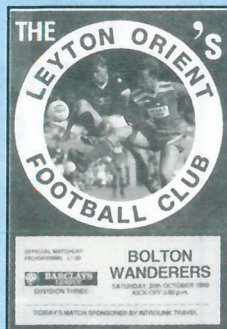

Last weekend's away victory at Leyton Orient saw the East London side produce a 36 page programme on A5 size design.

I must say that the programme was very disappointing with little in depth read and by far too much advertising which did not give the programme any balance.

Plus points that did come out of the issue were "Young O's", good coverage of the junior teams at Brisbane Road and "Action Extra" which did have an above number of action photographs in the programme.

The coverage of the Wanderers was very ordinary with basically just a reproduction of the pen pics and team photos supplied by ourselves.

Overall, not good value at £1. It's a pity that they've gone for such a large increase on last season without really increasing the quality and editorial material of the magazine.

SAFE HANS

A lighthearted look at football

HAVE YOU SEEN OUR NETS?

You would think that two clean sheets in the last two League games would lift everybody's confidence at the club but it was disappointing not to record victory on Tuesday night against Rotherham. Overall I suppose a draw was a fair result, certainly Rotherham didn't look bottom of the table material causing us problems at times but at the moment its frustrating not being able to hit the fluency of last season. Let's just hope the lads can click into gear this afternoon when of course Swansea will be providing the opposition.

The Swans recorded their second away win of the season on Tuesday night at struggling Shrewsbury and with manager Terry Yorath obviously still cock-a-hoop with the Wales result last week the South Wales outfit will

provide tough opposition.

Tomorrow night of course is a special time of the season for the non league sides who have made it through to the first round proper of the FA Cup. BSB have secured the rights to screen the draw but for the thousands of us who at present don't subscribe to the satellite system then we will have to wait a little longer for the exciting news of who we have drawn in the first round. Fingers crossed for a home draw, but fingers and toes crossed not to draw a non-league club away from home. Remember proud Preston last season? Going up to

Whitley Bay with the BBC cameras screening the game for all to see and getting turned over 2-0, no your on a hiding to nothing with everything to lose and not too much to gain. Joking apart though, there's magic about the F.A. Cup that gets every true football fan dreaming about the road to Wembley so let's have a home draw... please.

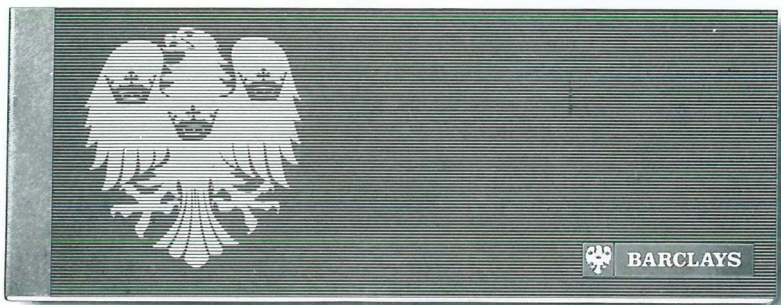

With this being our last game in the month of October and winter well and truly on its way with the clocks going back tomorrow night, there is no truth in the rumour that Wanderers' first team coach Mick Brown is available next Wed-

nesday night for Halloween parties. Mick has of course had reason to frighten a number of players with the in-different start to the season we have had but rest assured children, he will not be on duty this coming year.

The last item on the agenda today is that of the missing nets which were taken from the goal posts during the course of last weekend. Please may we have them back? You saw how the lads didn't like the new ones on show Tuesday night; its not really asking too much, and spare us the embarrassment of having to go on Crime Watch.

Enjoy the game and don't forget, it's Chester next week at Macclesfield; work that one out!

A look back at the recent past

BY

SIMON MARLAND

Although Swansea have managed only a single victory in their 11 previous League visits to Burnden the Wanderers will today be looking to end a run that has seen them record only one success in the last 12 games between the clubs.

It is at the Vetch Field that Bolton have traditionally struggled, their only victory being in April 1973 when they found the net three times in a five minute spell just before half time.

Geoff Thomas had put the Swans in front from the penalty spot but two goals from Neil Whatmore, who was making his League debut and one from John Byrom put the Wanderers in command. An own goal from Roy Greaves reduced the arrears for Swansea but Bolton held on to win 3-2 on their way

Steve Thompson scores against Swansea at Burnden in October 1987

to the Third Division championship.

Earlier that season the Wanderers ran out 3-0 winners at Burnden, John Byrom striking twice and Garry Jones also getting onto the scoresheet. These are the only occasions that Bolton have managed to score more than two goals against Swansea in a League game and indeed since then have only been able to pierce their defence no more than once.

Swansea recorded their only success at Burnden in September 1980 when they ran out 4-1 winners in a Second Division

game, this also being their best winning margin against the Wanderers.

Alan Waddle scored twice, Leighton James and Neil Robinson also hitting target for Swansea whilst Neil Whatmore hit a late consolation for the Wanderers.

Since then Swansea have made 5 visits, drawing on 4 occasions, but there has been a shortage of goals. Two games have been scoreless, including last season's encounter, whilst in October 1985 and October 1987 both ended 1-1, the latter taking place in

Division Four, Steve Thompson scoring for Bolton on both occasions.

A goal from Robbie Savage separated the sides at Burnden in February 1989 whilst the last encounter between the clubs took place on the final Saturday of last season at Vetch Field. A 0-0 draw was enough to see Bolton into the play offs and for Swansea to avoid relegation.

Our overall League record against Swansea is as follows:-

	P	W	D	L	F	A
Home	11	5	5	1	12	8

PLAYED FOR BOTH CLUBS

PONTYPRIDD born forward Evan Jones began his career with Aberdare before joining Chelsea in August 1909. His first goal for the London club was against Bolton at Stamford Bridge in October that year, Chelsea running out 3-2 winners.

He won the first of his seven Welsh international caps against Ireland at Wrexham in April 1910, the home side winning 4-1.

After 21 League appearances and 4 goals for Chelsea he moved North to join Oldham Athletic, then in the First Division, scoring twice on his debut in a 2-1 win at Middlesbrough during February 1911.

He was Oldham's leading scorer during 1911/12 netting 16 times in 35 appearances, scoring in both his sides games against the Wanderers.

In May 1912 he became a Bolton Wanderer, his first goal coming at Burnden Park against one of his former clubs, Chelsea, that September.

Whilst at Bolton he was moved to an inside forward position and missed only one game during his initial season with the club.

He won the last of his Welsh caps in January 1914

EVAN JONES

scoring his only international goal in a 2-1 defeat by Ireland at Wrexham from the penalty spot.

His final game in a Bolton shirt was in April 1915, Sheffield United winning 1-0 at Burnden, a month earlier United had knocked the Wanderers out of the FA Cup at the semi final stage.

During the first World War Jones guested for Newport but after the War he refused an engagement with Bolton, preferring to say in South Wales and in August 1919 signed for Swansea Town who were then in the Southern League.

His Bolton record was as follows:-

SEASON BY SEASON

A look back at years gone by

1928/29 SEASON

Bolton kicked off 1928/29 with a visit from the previous season's champions Everton. The new stand on the Burnden side of the ground, costing £17712, was opened for the game with a crowd of 33385 attending.

The Wanderers were without Jimmy Seddon who was suspended for a month by the FA after his sending off in the final game of the previous term. Dixie Dean grabbed a hat trick as the visitors won 3-2, George Gibson scoring both the Wanderers goals.

Once again a poor start was encountered with only one win in nine games. Changes were made, even Dicky Pym was dropped, and half back Fred Kean arrived from Sheffield Wednesday for £5600.

The first win of the season came coincidentally on Jimmy Seddon's return to action with Derby being beaten 3-0 at Burnden, Murphy scoring one of the goals against his old club. This was a short lived success however as Bury won 1-0 before 36149 and the Wanderers fell to the bottom of the League.

This game proved to be David Jacks last in a Bolton shirt as a week later he was transferred to Arsenal for a fee of £10750, the first ten thousand pound player, the Londoners wanting his skills to replace those left by the retirement of Charles Buchan.

successive games changed the Wanderers fortunes. Harold Blackmore did the trick in a 4-2 home win against Portsmouth, a week later he repeated the dose in a 5-2 win at Aston Villa, George Gibson recorded his first Bolton hat trick in a 3-1 home win against Sheffield United.

The outside left position was strengthened when Billy Cook was signed for £5000 from Dundee and he made his debut in a 5-0 home win against Leicester City. The double was completed over Birmingham during Christmas including a Blackmore hat trick in a 6-2 home win on Boxing Day. Three days later however Dixie Dean notched his second hat trick of the season against Bolton scoring all his sides goals at Goodison.

David Jack returned to Bolton on 5th January and went away having scored both goals in Arsenal's 2-1 win. League form remained steady although points that appeared to be won were lost in the second half of games. League leaders Sheffield Wednesday drew 2-2 at Burnden after being two down and the Wanderers were 3-0 up at Portsmouth before having to settle for a 4-4 draw.

The FA Cup came around with the Wanderers in a mid table position. Oldham and Liverpool were defeated in the opening rounds and a rare goal from Jimmy Seddon helping the Wanderers to win 2-1 at Leicester in the 5th round.

The Wanderers were then drawn to face the holders, Blackburn at Ewood, with over £500 worth of Wembley ticket applica-

tions having already been received at Burnden such was the confidence of success.

62522 paid £4722 a then attendance and receipt record for the ground with a 2-2 draw resulting. The replay attracted Burnden's best mid week crowd of 65295 a record not being established due to poor packing. Two Billy Butler goals gave the Wanderers a 2-1 win and a semi final against Huddersfield at Anfield.

The Yorkshire side led

at half time but the Wanderers struck back to win 3-1. Wembley approached but League points and fit players were required having slipped into 18th place. Home wins over Newcastle, without Seddon and Nuttall who were involved in international duty, and Aston Villa assured League safety and so attentions were turned to the Cup Final.

On April 27th Bolton won the FA Cup for the third time with two goals in

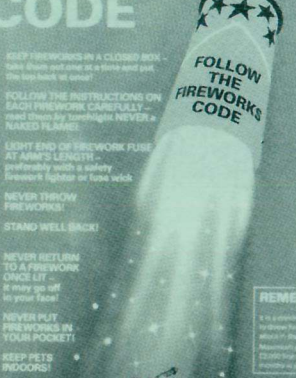

the final 12 minutes against Portsmouth, Billy Butler, and Harold Blackmore, who had scored in every round, finding the net. By now the Wanderers were a weary bunch of players. The season was wound up with a 6-1 reverse at Leicester, who gained revenge for their cup defeat, defeat in the Manchester Cup final at Manchester City and a 4-0 loss against Barcelona in the opening of their 65000 seater stadium.

HELPING THE GAME

A fine new stand - one of the many initiatives supported by Trust funds.

The Football Trust 1990 has been created to help the game at all levels and to assist clubs meet the requirements of Lord Justice Taylor's Final Report.

Safety and comfort for all spectators is the primary objective and substantial funds have been made available for the provision of seating at Football League grounds. At the same time the Trust's commitment to family and community initiatives will continue with the provision of more family enclosures, better toilet facilities, covered accommodation, artificial pitches for local use and the development of women's and junior football particularly through community programmes, plus a wide range of policing and crowd control measures.

Each year The Trust expects to receive £20 million from the reduction in Pool Betting Duty plus the £10 million continuing contribution from the Spotting-the-Ball competition organised by Littlewoods, Vernons and Zettlers. This money will be invested in projects which benefit football throughout the United Kingdom.
